**Test your most difficult patient...**

**We guarantee relief...or we'll pay!\***

Every practice has them and yours is probably no exception - difficult, challenging patients. They present a set of chronic symptoms to you, they've tried everything and nothing seems to help. We're ready to help you by guaranteeing our laboratory testing delivers measurable relief for your most challenging patient or we pay for the testing. \*Call Client Services for details.

### **Why are some patients so challenging?**

Very few patients are tested for hidden food allergies. Offer patients new hope. 25 years and 25 million tests tell us almost everyone is eating something toxic to their particular system!

Try the Immuno One Bloodprint™ today with no investment or obligation.

Serving physicians worldwide for 25 years.
