\$100 - \$500 CASH AWARDS!

I'd love to include your case story in the next edition of Toxic Food Syndrome and I'll pay cash for it!

Greetings!

My name is Jeffrey Zavik, Founder of Immuno Laboratories and BetterHealthUSA and I want to offer you a fast, simple way to qualify and earn \$100-\$500 in cash awards. Let me take just a moment to explain...

Several years ago, I wrote the book, Toxic Food Syndrome, now in it's 8th edition, with over 100,000 copies sold. Since writing the book, we have received hundreds of success stories – many from healthcare professionals (MDs, DOs, DCs, NDs) who have personally pinpointed foods toxic to their particular systems and then sent us a short case story detailing the benefits they received.

Due to the encouraging number of success-filled case stories and the popularity of my book, I'm more than doubling the content of the book to include valuable updates plus the best of the best success stories. And that's where your personal story comes in along with your chance to win...

\$100-\$500 in cash awards

If you have had one or more chronic, nagging conditions on the list below, and enjoyed significant relief by pinpointing and eliminating the IgG reactive foods that were toxic to your particular system, take a few minutes to share your personal success story and qualify to win a CASH AWARD...

- **\$100 for each story chosen**
 - **\$500 grand prize for best**
